Are you in need of *Garlock Klozure® Oil Seals*?

Colonial Seal Company has your Sealing Solutions!

- For over a century, Garlock has been a leading manufacturer of industrial sealing systems for all major industries. With this much experience, you'll be sure to get a powerful product that will protect your machinery from the most stubborn process fluids for the most challenging of applications.

- The **Garlock Klozure® Oil Seal** sets the industry standard. Garlock has built their reputation on creating quality products that help reduce machine downtime and maintenance costs. When you select the Klozure® Oil Seal, you're getting a product that is designed and engineered for providing your production equipment with long lasting and efficient service.

- We currently have a variety of split and conventional Garlock Oil Seals in stock. Check **here** to see our current inventory of genuine parts. If you don't see what you need, we can offer you replacement parts.

- You won't need to worry about shipping delays. If we have what you are looking for, we'll be able to ship to you as soon as possible.

- Unsure what will work best for your application? Provide us with the S.T.A.M.P. details and our technical experts will be able to provide you with the best sealing solution.
