

COLONIAL SEAL COMPANY

Do you have trouble replacing an OEM seal that is obsolete or discontinued?

Are you looking for a cost effective replacement for an OEM seal?

If you are ... then give Colonial Seal a try!

- Full cross reference and interchange capabilities for most major seal manufacturers including: **SKF / Chicago Rawhide, Garlock Klosure, National-Federal Mogul, Parker, Saint-Gobain, Trelleborg and Stemco.**
- A wide range of general purpose and special purpose seals in a **variety of cases, lip profiles and materials.**
- Ability to supply **custom manufactured metal-cased seals** in carbon steel, stainless steel or brass with Buna, Viton or Teflon sealing lips within days. FDA materials are also available.
- A qualified network of global sourcing partners results in **cost savings of up to 30%.**
- Choose from an extensive list of **standard and metric sizes** from 0.110" (2.8mm) upwards in various profiles and materials.

Benefits of Colonial Seal Company replacement seals ...

- **Reduced Inventory Costs:** by consolidating your shaft seal requirements with us
- **Improved Availability:** we can supply most OEM obsolete or discontinued oil seals
- **Lower Procurement Costs:** agreements with our global sourcing partners ensure we can pass on these savings to you
- **Extensive Size Range:** Large diameter rotary shaft seals and custom shaft sizes are available upon request
