

Colonial Seal Inc.

Are you in need of Garlock Klozure® Oil Seals?

Colonial Seal Company has your Sealing Solutions!

Garlock has discontinued Model 63, Model 63R2, Model 63T2, Model 63TB, and Model 63R1 effective November 2021. We can provide a replacement for these general purpose seals with a heavy-duty metal outer case. Primarily available with an NBR lip these seals can also be supplied in other materials(FKM(Viton), Silicone, EPDM or HNBR). Our replacement offers the same operating specifications as the Garlock models.

The **Garlock Klozure® Seals** are well known in the industry and are particularly suited for heavy duty applications found in steel mills or paper and pulp plants.

In October of 2022 Garlock also discontinued Models 71, Model 76 and Model 92. Colonial Seal can also offer replacements for these model seals.

If not in stock, our production time is usually 3-4 weeks.

Additionally the following Garlock replacement seals are available: Model 53, Model 23, and Model 24.
