Sealing Solutions for Military and Defense Industries

Gloucester City, NJ - [Colonial Seal Co.](http://www.colonialseal.com), the New Jersey based manufacturer and distributor of [standard](#) and [custom seals](#) announces the company supplies Mil-Spec Sealing Solutions. “We specialize in supplying Federal Supply Class (FSC) 5330 commodities. Our in-house database ensures we can supply most high volume 5330 NSN’s and identify hard to find parts. Since 1994 we have been an Authorized Veteran Owned, Small Business Supplier to the US Government and can supply products that are either “Buy American” compliant; from Approved Country Sources; or globally sourced. As an Authorized Distributor for STEMCO, SKF, FEDERAL MOGUL/National and GARLOCK HYDRAULIC SEALS & GASKETS and other Approved manufacturers, Colonial Seal’s primary sales channel is to companies that sell to the Federal Government.

Colonial Seal Co. supplies Mil Spec rotary shaft seals “SEAL, PLAIN” and “SEAL, PLAIN ENCASED”. These seals are IAW(In Accordance With) drawing number 00044 which indicates the type of seal with respect to case type and sealing element. We also supply Mil Spec “SEAL, PLAIN” IAW Drawing number 00150 that represents rubber covered seals with tension springs and reinforced metal inserts.
